PAIN. PURPOSE. PROGRESS.

YM Phill, also known as Lil Will, is William Johnson, an independent Baltimore hip-hop artist and creative storyteller. His work draws on personal experience to explore resilience, family, faith and growth.

Across projects including **Hittin Lickz**, **Honestly** and **Time Is Now**, his creative direction pairs hip-hop with cinematic visuals. His developing W.C.A.B.T.C PRODUCTIONS identity extends that vision into visual storytelling, artist branding and production.
